

Caldera and Peir Group bundle special product for Reprographers

Caldera Graphics has teamed up with the PEiR group to offer PEiR members the best printing solution for Reprographers : ReproSHOP.

In it's European expansion efforts, The PEiR Group has chosen to partner with Caldera as Caldera software packages provide significant productivity benefits to PEiR members. Caldera products also emphasize color quality enjoyed by PEiR members customers. Additionally, Caldera shares the same vision as the PEiR Group with respect to the importance of technology and the associated education that is required to advance our industry.

The PEiR Group currently has over 50 member locations in the U.K., Ireland, Scotland and France and is actively expanding it's network throughout Europe. This effort was highlighted at recent PEiR conference in Paris , "The Future of Digital Reprographics", that had representatives from 11 countries.

Members of the PEiR Group will be able to purchase an upgraded PEiR Group special edition of ReproSHOP including the COSTPROOF, cost management option, at special conditions.

ReproSHOP is the ultimate reprographer's « Swiss Army knife » software solution : Scan-to-Print, Scan-to-File (PDF + Raster) and File-to-Print (any format, PDF, PS, HPGL or Raster). Reproshop is a fully integrated solution which combines the features of CopyShop and VisualRip+, making it the best multitask and multiperipheral solution for PRINT and SCAN.
